

## **IIRSM ACTIVITIES FOR POOSH**

*Dr Su Wang (previously Chief Medical Officer at Royal Mail Group) has been appointed as a member of IIRSM Board of Directors*

*IIRSM is now a sustaining member of ICOH*

*We hope to be taking over the Chairmanship (Keith Scott) and Secretariat (Su Wang) for the Scientific Committee on Accident Prevention in ICOH (we are just awaiting confirmation from their President) - this will raise our profile considerably and open up research opportunities for IIRSM*

*The training accreditation scheme - we should be arranging with a Cairo based training company to pilot it on the international front as well as a UK based one to pilot it here.*

*IIRSM is supporting all three Health and Safety '10 events this year:*

<i>South –</i>	<i>Sandown Park, Esher</i>	<i>23-24 February</i>
<i>Scotland -</i>	<i>Royal Highland Centre, Edinburgh</i>	<i>15-16 September</i>
<i>North -</i>	<i>The Reebok Stadium, Bolton</i>	<i>13-14 October</i>
